

WHY YOU NEED ADVICE WHEN BUYING INSURANCE

HOW COMPLICATED IS NZ'S LIFE AND HEALTH INSURANCE MARKET?

These are the factors you need to take into account in order to pick your way through the complex minefield of personal life and health insurance. It's why you need financial advice from a properly Registered or Authorised Financial Adviser.

WHY IS PERSONALISED FINANCIAL ADVICE SO IMPORTANT?

There are so many options – many of which won't apply to you, so don't accept generalised (class) advice or simple product summaries. Ensure you are receiving a full personalised advice service from a properly Registered or Authorised Financial Adviser.

six variations in policy wording per feature, per company)

THOSE CHOICES CAN **REALLY COUNT** WHEN YOU CLAIM

Which income
protection insurance
WORKS BEST WITH ACC?

Who has the
**BEST BUILT-IN EARLY
CANCER BENEFITS?**

Who covers the
**MOST TRAUMA
CONDITIONS?**

Which companies
will contribute
to legal fees
**IN THE EVENT OF
A DEATH CLAIM?**

But which trauma
conditions are you
MOST LIKELY TO CLAIM ON?

Who will help you
keep your cover if you
ARE UNEMPLOYED?

What about
partial disability?
**WILL YOU
STILL RECEIVE
A PAYMENT?**

**A skilled Financial Adviser, supported by good research,
can answer these questions and many more. Take the time
to make sure you've got good advice.**
